

Brothers and sisters...Here We Are...Together
Learning together...The A B C 'S Of Our Prairie Union School.
Here we Are...Talking about...Social Issues... Political Issues
And learning how to bring together
Our brothers and sisters...

The one who do believe...and the one who do not believe.
We talked about
the things that we have to keep doing
the things that we have to start doing
and the things that we have to stop doing....

How to motivate ourselves
and have to motivate others...
How to look ahead... How to organize

Identify goals
How to get results
and of course..... How to do Karaoke

There was no discrimination
There was no scent
and It was a harassment free.
We really did learn a lot
Thanks to our organizers
and to our facilitators.

We go home very soon
But not to take a break.
The students from the Prairie Union School
can not afford to take a break.

We are going home soon...but
to motivate our members
To promote solidarity
to do effective lobbying
to do community and political activism
and to work on action plans
for better results.

To keep making all efforts to do everyday... better.
To start making more sacrifices In order to organize everybody.

Brothers and Sisters.....I did learn a lot from you....this week
from the organizers...from our facilitators and from you... who came from
Yukon...Northwest Territories... Nunavut
Alberta...Saskatchewan...Ottawa
and from you who came from Manitoba.

I promise you...that I will fight for the rights of everybody
I will fight for respect...and equal value
And when Racism in all of us... is finally out and gone...
we can go together singing with all our pride
Solidarity for ever
Solidarity for ever
Solidarity for ever
For the Union makes us strong.
